### Profile

**Important:** Please read [these instructions](#) before you fill this form.

What is your preferred Associates Store ID? \*

Give any idea even in your name like for ex: Ramya121

Your Website List

Your website and blog url will appear here

Your Mobile App List

Your social media accounts/pages/groups will appear here

What are your websites or mobile apps about? \*

Mention your objective for signing up, Amazon team would review your application before approving.

4. Your web address will appear in the second page while setting up your account in the Mobile app section add any social media pages or accounts so that tracking will become easy and you will be given a chance to promote products using your social media followers, Your traffic will be boosted up by linking social media pages and accounts. Mention the purpose of creating this affiliate account. Choose your niche & product that you are targeting to sell, your profile will be reviewed after your 1st 3 sales.

5. If you have developed any mobile apps and if you are bring traffic to that mobile app. Then give details about your mobile app or if you own a site and you bring traffic to that particular website then select under which category that would fall under(A blog, Coupons or deal website, Content or niche website etc.).

Does your website talk about particular topics related to relevant industries or you cover everything like selling 3rd party affiliates or Do you collect all discount coupons to drive

**Traffic & Monetization**

**How do you drive traffic to your website(s)? \***

<input type="checkbox"/> Paid Search	<input type="checkbox"/> Display Advertising	<input checked="" type="checkbox"/> SEO
<input type="checkbox"/> Email	<input checked="" type="checkbox"/> Social Networks	<input checked="" type="checkbox"/> Blogs
<input type="checkbox"/> Shopping Portal	<input type="checkbox"/> Forums	<input type="checkbox"/> Lead Generation
<input type="checkbox"/> Offline	<input type="checkbox"/> Rebate	<input type="checkbox"/> Other

**How do you utilize your websites and apps to generate income? \***

- Contextual Advertising (e.g. Google AdSense)
- 3rd Party Affiliate Networks
- eBay Affiliate Program
- Other Affiliate Programs
- Display Advertising
- Widgets
- E-commerce/Online Retail
- Subscription Service
- Amazon Associates is the only monetization I use

**What is your primary reason for joining the Amazon Associates program? \***

Select

traffic?  
Just  
select the  
suitable  
title to  
your  
website  
from the  
list given.

6. You  
must first  
decide  
how are  
you going  
to drive

traffic to your site, Is that by writing blogs on various products or do you offer various coupons and discount vouchers in your site and drive traffic??

Select one that best suits your site

Note: Do not select anything randomly as the Amazon affiliate team would review them

@Empowerwithramya.com

during account approval.

How do you utilize your website and apps to monetize?

This is to know your credibility, Keep them informed if you have partnered as an affliator with any other vendors.

Once you fill up these details it would ask you to take up re captcha to check humanity and avoid bulk sign ups.

If re captcha is not working reload your site and redo the process, Before that copy your website objective description to avoid typing again.

**Congrats, Ramya Prasanna**

**Thank you for applying to the Amazon.in Associates Program**

Your unique Associate ID is **solortusdesig-21**

You may occasionally need to provide your Associate ID to verify your account with us. Your application will be reviewed shortly after you have referred the qualified sales to Amazon.in.

In the meantime, you have been granted full access to the Associates Central platform 24 hours a day.

If your affiliate links have not referred the minimum qualified sales after 180 days, your application and access to the Associates Program will be withdrawn.
